Brand Essence

Born Bare exists for parents who believe their baby deserves better. Better sleep. Better comfort. Better for the planet.

We strip away everything unnecessary — the chemicals, the plastics, the noise — leaving only what matters.

Brand Promise

"Nothing between your baby and a better night's sleep."

Brand Values

Purity	No harmful chemicals. Just clean, safe materials.
Simplicity	One product, done exceptionally well.
Honesty	Real sustainability. No greenwashing.
Rest	We're in the business of sleep.

We are:

Calm	Never shouty, never urgent. We speak softly.
Confident	We know our product is good. No need to oversell.
Warm	Human, empathetic, understanding.
Direct	Clear, simple, no waffle.
Knowing	We get it. The exhaustion. The worry. The love.

We are NOT:

- Preachy about sustainability
- Condescending to parents
- Overly playful or cutesy
- Clinical or technical
- Loud or attention-seeking

Writing Principles

1. Lead with sleep, not eco
2. Short sentences. Let them breathe.
3. You, not we
4. State facts, don't sell
5. No exclamation marks. Ever.

Key Messages

Primary — The Sizzle

"Better sleep starts here."

Your baby sleeps better when they're comfortable.
Born Bare bamboo nappies are softer, drier, and free
from irritants that disrupt sleep. Better nights for
them means better nights for you.

Secondary — The Substance

"Nothing you wouldn't want on your own skin."

No chlorine. No latex. No parabens. No phthalates.
No fragrances. Just bamboo-soft material that's
gentle on the most sensitive skin.

Tertiary — The Planet

"Gone in years, not centuries."

Conventional nappies take 500 years to decompose.
Ours biodegrade in 3-5 years. 80% less plastic.
Brown paper packaging. Because they inherit this planet.
